## Sustainable Events Summit 2011

25 January 2011

### Invitation to Speak

Dear Alex

I am writing to invite you to speak at the third annual Sustainable Events Summit, which is scheduled to take place on **Monday 18 April** at Trinity Buoy Wharf, London.

With sustainability currently a growing issue in the events industry and organisers eager to find out how to tackle this topic, the summit provides a valuable opportunity for event professionals to gain education and inspiration. The summit will bring together the leading figures in the field of sustainable event management to exchange ideas and debate the barriers facing the event industry.

Speakers will include representatives from the Olympics, along with leading agencies, organisers, venues and suppliers.

Topics will include not only the first steps which organisations can take, but also how to move beyond turning the lights off and printing double sided to making greater progress on a journey towards sustainability.

I feel that your input as a speaker would be invaluable and we would be honored if you could join us. Please confirm your availability by contacting Claire Eve on 020 7515 5775 or [clare@seventeenevents.co.uk](mailto:clare@seventeenevents.co.uk). I look forward to hearing from you.

Yours sincerely

Andrew Williams
